### **OCEAN BEACH FARMERS MARKET IS RE-OPENING!**

We are reopening the Ocean Beach Farmers Market, in a modified fashion, per County Health guidelines. The modified, farm-focused market will look a little bit different, but it will still have the same wonderful community feel. Think of it as a fresh-air grocery store with a focus on fresh fruits, vegetables, cheese, nuts, honey and more, along with fresh flowers and plants. There will be a handful of artisan food vendors who will provide to-go food, which the community may take home to enjoy.
