LOCAL MERCHANT SPOTLIGHT: Surf's Pup Doggie Lounge surfspupdoggie.com | 619.719.5812

Surf's Pup Doggie Lounge operates out of Sprinter Vans that have been converted into PAWsh Doggie Lounges, a safe place for pups to hang while their owners are out playing themselves. We offer hourly rates, with a 3 hour maximum, to owners so they can go the beach, surf, walk the market / festival, or just go get a meal. As a previous working professional, I know first hand how hard it is to take care of pets while also taking care of yourself and my overall goal with Surf's Pup is to help other people take care of their pets while they simultaneously take care of themselves. We (my pups and I) park at beaches and coastal areas along Southern California so you can go play, while I watch your Pups! So get to the beach y'all, and don't leave the pup at home because now you don't have to!!
